OH,  
THAT IS  
NOT  
PROBLEM.  
YOU CAN  
GO.

I AM SORRY.  
SUDDENLY  
SHE JOKED  
ME TO GO.

Well, the detective who ever worked in "host club" in the background of this story, actually in the real world was really cool (in the past). I ever was invited to go to that club. There was an alumni of school detective, who worked at afternoon as the detective, at night worked in host club. It was much different with "Lady Killer", the club looked calm and mature. When I thought that such background was cool, I discussed it with my editor and got an improvement immediately.

Then I started drawing. But of course, the figures as well as the club were only fiction. When I was talking and asking to that host when they slept, they answered, "at afternoon, because they did nothing". And I used that dialogue. Well, I am sorry.

IF THEY CHANGE THEIR CLOTHES, THEIR MANNERISM WILL REMAIN THE SAME. ESPECIALLY THEIR SHADES.

THIS, IF THE TARGET LOOK BACK, YOUR VIEW WILL NEVER MEET.

WHEN YOU FOLLOW THEM, KEEP THE DISTANCE ENOUGH FAR FROM THEM.

IF THEY ARE A MAN LOOK AT HIS SHOULDER, IF THEY ARE A WOMAN LOOK AT HER ANKLE.

THEN, WHY DID YOU NOT TELL ME?

YOU'RE AN ASSHOLE!

EVERYONE KNOWS ABOUT IT AS WELL. NEW KID.

WHAT DO YOU SAY? HOW ABOUT?

WHAT SHOULD I HAVE TO TELL MY MAGNIFICENT TECHNIQUE?

AH!

WAIT.

EMP OH, REALLY?

SHIRANUI IS COOL!
